

# "Khan Academy launches India Talent Search"

For Teachers

Khan Academy is looking for amazing explainers to help build the world's most comprehensive, engaging library of videos. If you have a passion for teaching and a knack for making challenging concepts seem simple, you can create and submit a video in math or science in English or Hindi. All entries are due by Dec 12th. More details are on the contest page at [www.khanacademy.org/r/indiatalentsearch](http://www.khanacademy.org/r/indiatalentsearch).

Prizes include a cash prize of INR 1 lakh, potential video creation contract with Khan Academy, and interaction with Sal Khan, the founder of Khan Academy.

Interested teachers, do send in your entries before **Dec 12, 2016**.
